

Vi har bra naturliga viner på fat från små hantverksproducenter!
Genom att använda oss av vin på fat, kan vi minska vår miljöpåverkan på många sätt.
Dessutom är vin på karaff riktigt trevligt!

Wines on bottle

Vårt fokus är mestadels viner från Europa men med några instick från andra delar av världen. Mindre producenter med större hjärta. En enligt oss god blandning. Många av vinerna är naturliga och ekologiska och är märkta med följande symboler:
